

# coach&bus

**Coach & Bus** was launched in 2012 in response to an absence of product orientated coverage within this market. We keep our readers informed of all the latest technological developments and all new launches and upgrades in the sector.

**Coach & Bus** has a mailing list of over 4,500 industry professionals from State, Territory & Federal government ministers to smaller fleet operators and companies. We keep them updated on new developments & products entering the market as well as news and reviews on operators and major manufacturers. We also have a range of ancillary suppliers on our mailing list such as air conditioning, tyres, lubricants and seating importers and manufacturers.

**Coach & Bus** is a perfect bound high gloss magazine with sleek design and is bi-monthly.

## WHO'S WHO?

The greatest asset of any organisation is its people. **Transport Publishing Australia** has a team of experienced professionals on Coach & Bus, led by editor Peter Barnwell, who have an extensive knowledge and understanding of the bus industry. This expertise enables us to consistently produce magazines of high quality with an editorial insight that meets the needs and expectations of readers and advertisers alike.
